GENERAL PROXY INFORMATION

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by or on behalf of management of the Corporation for use at the Meeting to be held at the time and place and for the purposes set forth in the accompanying **Notice of Meeting**. References in this Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation will be primarily by mail, however proxies may also be solicited personally by telephone or by facsimile by the directors and/or officers of the Corporation at nominal cost. The cost of solicitation by management will be borne by the Corporation. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of the Common Shares. The cost of any such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

Enclosed with this Circular is a form of proxy for registered Shareholders. The persons named in the enclosed form of proxy are directors of the Corporation (each a “**Director**” and together, the “**Directors**”) and will represent management of the Corporation at the Meeting. **A Shareholder has the right to appoint a person or company to represent the Shareholder at the meeting other than the person or company, if any, designated in the form of proxy.** A Shareholder desiring to appoint a person or company other than the persons designated in the accompanying form of proxy, who need not be a Shareholder, to represent such Shareholder at the Meeting, may do so by striking out the names printed on the proxy and inserting the name of such other person in the blank space provided in the enclosed form of proxy and returning the completed proxy to the Transfer Agent by delivering the proxy to Proxy Department, TSX Trust Company: (i) by mail to P.O. Box 721, Agincourt, ON M1S 0A1; or (ii) by facsimile at (416) 368-2502 or (iii) 1 (866) 781-3111 or by email at proxyvote@tmx.com. The form of proxy must be received by the Transfer Agent by 2:00 p.m. (Eastern time) on May 3, 2022 (or at least 48 hours prior to any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or by presenting it at the Meeting to the chairperson of the Meeting prior to commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting). Failure to so deposit a form of proxy will result in its invalidation.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered Shareholder or by his, her or its attorney duly authorized in writing, and deposited either at the registered office of the Corporation or by mail or facsimile to the Transfer Agent (as set out in the paragraph immediately above) by 2:00 p.m. (Eastern time) on May 3, 2022 (or at least 48 hours prior to the commencement of any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or with the chairperson of the Meeting prior to the commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or in any other manner permitted by law.

Appointing someone to be your proxyholder - If you appoint someone to be your proxy, other than the individuals named on the form of proxy, the completed form of proxy with the appointment must be sent to the Transfer Agent and you or the proxyholder must contact the Transfer Agent to request the control number at <https://www.tsxtrust.com/control-number-request>, 1-866-751-6315 (in North America) or 1-212-235-5754 (outside North America) by 2:00 p.m. (Eastern time) on May 3, 2022 or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and date of the adjourned or postponed meeting. Without a control number, proxyholders will not be able to vote or ask questions at the Meeting. They will only be able to attend online as a guest.

Voting of Proxies

A registered Shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate box. The persons named on the form of proxy must vote for or against or withhold from voting, as applicable, the registered Shareholder's Common Shares in accordance with the registered Shareholder's directions and on any ballot that may be called for. If the registered Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them. In the absence of such direction, such Common Shares will be voted in favour of the matters outlined in the Notice of Meeting and this Circular.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. At the time of printing of this Circular, management and the Directors know of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to all Shareholders, as all Common Shares are registered in the name of CDS & Co. ("CDS") (the registration name of CDS Clearing and Depository Services Inc., which acts as depositary for many Canadian brokerage firms) and Shareholders hold their Common Shares through their brokers, intermediaries, trustees or other persons. Common Shares registered in the name of CDS can only be voted (for or against resolutions) upon the instructions of the Shareholders, as the beneficial holders of the Common Shares. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for the broker's clients. Therefore, Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate party.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Shareholders in advance of security holders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Shareholder by his or her broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions ("**Broadridge**"). Broadridge normally prepares a "Voting Instruction Form" (the "**VIF**") based upon the Corporation's form of proxy, which it then distributes to Shareholders. The VIF must then be completed and returned to Broadridge by the Shareholder by mail or facsimile in accordance with the instructions provided therein. Alternatively, the Shareholder can call a toll-free number or access the internet to provide instructions regarding the voting of Common Shares held by the Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Shareholder receiving a Broadridge VIF cannot use that proxy to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting. Some brokers who do not use Broadridge's services send out the Corporation's form of proxy to Shareholders, executed by the broker but otherwise incomplete. The Shareholder must mark the proxy how he or she wishes to vote and return the proxy either directly to the Transfer Agent or to the broker, who will then forward the proxy to the Transfer Agent. **A SHAREHOLDER CANNOT VOTE THEIR COMMON SHARES IN PERSON AT THE MEETING UNLESS THE SHAREHOLDER APPOINTS HIMSELF OR HERSELF AS THEIR OWN PROXY.**

Although a Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of CDS, a Shareholder may attend at the Meeting as proxy holder for the registered Shareholder and vote the Common Shares in that capacity. Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered Shareholder in this regard should enter their own names in the blank space on the form of proxy or VIF provided to them and return same to their broker or other intermediary (or the broker's agent or other intermediary) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. If a Shareholder has voted by mail and would like to change his or her vote, the Shareholder should contact his or her nominee to discuss whether this is possible and what procedures such non-registered holder should follow.

Proxy-related materials will be sent by the Corporation to intermediaries and not directly to Shareholders. The Corporation intends to pay for such intermediaries to deliver proxy-related materials and Form 54-101F7 (the request for voting instructions) to "objecting beneficial owners", in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

Non-registered holders should carefully follow the instructions on the voting instruction form and the Management Information Circular. Non-registered shareholders wishing to vote at the meeting must appoint themselves as a proxyholder and contact the Transfer Agent to request the control number at <https://www.tsxtrust.com/control-number-request>, 1-866-751-6315 (in North America) or 1-212-235-5754 (outside North America) by 2:00 p.m. (Eastern time) on May 3, 2022 or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and date of the adjourned or postponed meeting. Without a control number, proxyholders will not be able to vote or ask questions at the Meeting. They will only be able to attend online as a guest.

Majority Voting Policy

The Corporation has adopted a majority voting policy stipulating that, if the total number of shares voted in favour of the election of a director nominee represents less than a majority of the total shares voted and withheld for that director, the nominee will tender his or her resignation to the board of directors of the Corporation (the "**Board**") immediately after the meeting. Within 90 days of the meeting, the Board will determine, with a recommendation from the Compensation, Nominating, and Corporate Governance Committee (the "**CNCG Committee**"), whether or not to accept such director's resignation and will issue a press release announcing the Board's decision, a copy of which will be provided to the TSX. Absent exceptional circumstances, the Board will accept the resignation. The resignation will be effective when accepted by the Board. If the Board determines not to accept a resignation, the press release will fully state the reasons for that decision. A director who tenders his or her resignation will not participate in a Board meeting at which the resignation is considered. The majority voting policy does not apply in circumstances involving contested director elections.

Voting Securities and Principal Holders Thereof

The authorized capital of the Corporation consists of an unlimited number of Common Shares. All Common Shares are of the same class with equal rights and privileges. The Common Shares are not subject to future calls or assessments and entitle the holder thereof to one vote for each Common Share held at all meetings of Shareholders. As at the date hereof, there are 16,686,916 Common Shares issued and outstanding.

The record date for the purpose of determining the Shareholders entitled to receive notice of and to vote at the Meeting is March 25, 2022.

A quorum for the transaction of business at the Meeting will consist of two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the votes attached to all of the Common Shares then outstanding.

As at the date hereof the following table sets forth the only person who, to the knowledge of the Directors and senior officers of the Corporation, based on available public records, beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

Name	Number of Common Shares	Percentage of Class	Percentage of Votes

The persons named in the form of proxy accompanying this Circular intend to vote FOR the election of the six nominees noted below as the Directors, unless the Shareholder who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the election of such nominees as Directors. Management of the Corporation does not contemplate that any of the nominees will be unable to serve as a Director for the ensuing financial year, however, if that should occur for any reason prior to the Meeting or any adjournment(s) or postponement(s) thereof, the persons named in the form of proxy accompanying this Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Each Director elected will hold office until the close of the first annual meeting of the Shareholders following his or her election unless his or her office is earlier vacated in accordance with the by-laws of the Corporation or applicable corporate law. The following sets forth the names and municipalities of residence of each of the proposed Directors, their respective principal occupations, business or employment within the five preceding years, their beneficial ownership of, or control or direction over, Common Shares (in each instance based upon information furnished by the nominee) and, if applicable, the year in which they started to serve as a director of the Corporation.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overall Compensation Goals

The following is a description of the compensation program of the Corporation, which is monitored and evaluated by senior management, together with the Board and the CNCG Committee, and adjusted if and when necessary. The Corporation's compensation program aims to provide employees with base salaries consistent with regional industry norms while offering additional short-term incentives in relation to the Corporation's financial and safety performance and personal performance against employee-specific metrics. The compensation program is designed to encourage retention while rewarding strong financial, safety and personal performances.

On September 9, 2019, the Corporation entered into an agreement with Brookfield LP to terminate the Amended and Restated Management Agreement and internalize Acadian's asset management and administrative services functions (the "**Internalization**"). The agreement ended September 9, 2021. As a result of the Internalization the Board and the CNCG Committee completed a review of the executive compensation plans during the fiscal year, which are described below.

Compensation Elements and Individual Performance Metrics

The Corporation's compensation program consists of base salary, a short-term incentive program that rewards performance within specific areas, and a long-term incentive program for key members of senior management of the Corporation's business and operations that ties rewards directly to the Corporation's financial performance. Base salary is set through the review of both formal and informal regional benchmarks with all employees subject to annual performance and compensation reviews. The Corporation's short-term incentive program takes into account the Corporation's financial performance and safety performance, and employee-specific, annually defined performance targets. Financial and safety performance measures are standardized across all employees, while individual, annually defined performance objectives are determined by senior management. Awards granted pursuant to the senior management long-term incentive program are based on the Corporation's financial performance, as discussed below.

Hedging of Economic Risks for Personal Equity Ownership

All Directors and executives of the Corporation are prohibited from entering into transactions that have the effect of hedging the economic value of any direct or indirect interests by the Director or executive in Common Shares, unless such transactions are executed and disclosed in full compliance with all applicable regulations and have been previously approved by the Chief Financial Officer and Chief Executive Officer of the Corporation and, if appropriate, the CNCG Committee. To date, no Director or executive has hedged the economic value of their direct or indirect interests.

Share-Based and Option-Based Awards

Other than as described below, none of the Corporation, or Acadian Timber Limited Partnership (the “Partnership”), AT Limited Partnership (the “Operating LP”) or Katahdin Forest Management LLC (“KFM LLC”) have adopted share-based or option-based award plans.

Effective January 1, 2022, the Corporation implemented a new long-term incentive program for executive officers and senior managers which utilizes a Restricted Stock Unit Plan (“RSUP”) and an Executive Deferred Stock Unit Plan (“Executive DSUP”), which provide for the granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the shares of the Corporation on the terms set out in each plan. The Board believes that the plans provide a link between individual long-term bonus compensation and the Corporation’s financial performance, as reflected by the fair market value of the Common Shares, while allowing for flexibility in recognizing individual achievement.

Long-term incentive awards granted as Restricted Stock Units (“RSUs”) vest after a three-year period. RSUs are paid out in cash following the vesting period at an amount calculated with reference to the market value of the Common Shares.

Executive officers or certain other employees as designated by the CNCG Committee are eligible to receive long-term incentive awards as Deferred Stock Units (“DSUs”). DSUs are subject to a three-year vesting period and are paid out in cash only when the participant ceases to be an employee of the Corporation, at an amount calculated with reference to the market value of the Common Shares. The Chief Executive Officer and Chief Financial Officer have been designated as eligible to receive DSUs, in order to facilitate meeting the requirements of the executive officers’ share ownership requirement as described below.

The RSUP and Executive DSUP are administered by the CNCG Committee, which is comprised of independent Directors. Grants are based on individual employee performance, together with an assessment of the Corporation’s performance against annual financial targets set by senior management with input from the Board. The Corporation’s achievement of such financial targets is not a strict requirement for grants to be made, but is instead used as a guide to assist the CNCG Committee in exercising its discretion under the plans. Senior management also provides the CNCG Committee with periodic reports and recommendations, which help identify exceptional performance. Grants generally do not take into account grants from previous years, as the CNCG Committee tends to focus on the year in question. However, the CNCG Committee has the discretion to take into account prior grants in considering new grants where the circumstances make it appropriate to do so. The Board is of the view that the plans are an effective mechanism to align senior management interests with those of the Shareholders while encouraging management retention.

Holders of RSUs and DSUs are entitled to receive additional RSUs or DSUs when dividends are paid on the Common Shares based on the number of additional Common Shares a participant would have received had the units been treated as Common Shares under a dividend reinvestment plan. The plans are unfunded and RSUs and DSUs are non-transferrable. The Board has the authority to amend or terminate the RSUP and Executive DSUP.

During the financial year ended December 31, 2021, the Corporation’s long-term incentive program utilized a deferred share plan (the “DSP”) that provided for similar granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the shares of the Corporation on the terms set out in the DSP. No further awards will be granted under the DSP.

Executive Officers' Share Ownership Requirement

In order to align the interest of executive officers with those of the Corporation's Shareholders, the Board has determined that a minimum share ownership (any combination of Common Shares and DSUs) is appropriate for the executive officers of the Corporation. The Chief Executive Officer is required to own shares of the Corporation's common stock which have a fair market value equal to two times the base salary paid to the Chief Executive Officer by the Corporation. The Chief Financial Officer is required to own shares of the Corporation's common stock which have a fair market value equal to one time the base salary paid to the Chief Financial Officer by the Corporation. The Board does not believe it is necessary to require executive officers to purchase shares on the open market. All executive officers are expected to achieve their thresholds within five years of the implementation of, or being subject to, the program.

Named Executive Officer Compensation

Compensation Governance

The Corporation's CNCG Committee currently consists of four Directors, including Malcolm Cockwell, Heather Fitzpatrick, Karen Oldfield and Bruce Robertson. At all times, the members of the CNCG Committee have been and are independent Directors of the Corporation. The Corporation believes that each of the CNCG Committee members has direct experience relevant to their responsibilities on the committee. Mr. Cockwell has held a number of leadership roles at private land forest management and wood processing operations in several regions, with responsibilities including the retention and development of senior management and the development of broader, long-term, forest-based business strategies. Ms. Heather Fitzpatrick is the President and Chief Executive Officer of Halmont Properties Corporation. Ms. Oldfield is the Interim President and CEO of Nova Scotia Health and was the President and Chief Executive Officer of the Halifax Port Authority. Mr. Robertson has held a number of private sector leadership and management roles, gaining experience and knowledge with internal risk management and reporting, governance, pensions and accounting.

The Board has adopted a written mandate for the CNCG Committee setting out its responsibilities which include, among other things: (i) assessing the effectiveness of the Board, each of its committees and individual Directors; (ii) overseeing the recruitment and selection of candidates as Directors; (iii) organizing an orientation and education program for new Directors; (iv) reviewing and making recommendations to the Board concerning any change in the number of Directors composing the Board; (v) considering questions of senior management succession; (vi) administering and making recommendations regarding the operation of any long-term incentive plan and any other employee incentive plans; and (vii) appointing, administering the performance evaluation and assessing the compensation of senior management, including the Chief Executive Officer and Chief Financial Officer.

No compensation consultant or advisor has been retained to assist the Board or the CNCG Committee in determining compensation for any of the Corporation's Directors or executive officers.

The Directors were also entitled to reimbursement for reasonable traveling and other expenses properly incurred by them in attending meetings of the Board, or any committee thereof, or in connection with their services as Directors. Going forward, the Board shall determine the reasonable remuneration for Director services rendered to the Corporation.

Directors' Deferred Stock Unit Plan

Effective January 1, 2021, the Corporation implemented the Directors' Deferred Stock Unit Plan ("DSUP") for its Directors. Under the DSUP, Directors may elect to receive all or any portion of their fees in Deferred Stock Units ("DSUs") in lieu of cash. A DSU is a bookkeeping entry equivalent in value to a Common Share. The number of DSUs received is determined by the market value of a share on the quarterly Directors' fee payment date. Additional DSUs are received as dividend equivalents. DSUs cannot be redeemed for cash until the holder is no longer a Director of the Corporation. The redemption value of a DSU equals the market value of a Common Share at the time of redemption, in accordance with the DSUP.

Directors' Share Ownership Requirement

In order to align the interest of Directors with those of the Corporation's Shareholders, the Board has determined that share ownership (any combination of Common Shares and DSUs) of at least three times their annual retainer is appropriate for the Directors of the Corporation. The Board does not believe it is necessary to require Directors to purchase shares on the open market. All Directors are expected to achieve their thresholds within five years of the implementation of the program or starting their Board service.
